

## EXTENSIONS OF REMARKS

### ANNOUNCEMENT OF THE 2018 CONGRESS-BUNDESTAG/BUNDESRAT EXCHANGE

**HON. PAUL D. RYAN**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 13, 2018*

Mr. RYAN of Wisconsin. Mr. Speaker, since 1983, the U.S. Congress and the German Bundestag and Bundesrat have conducted an annual exchange program for staff members from both countries. The program gives professional staff the opportunity to observe and learn about each other's political institutions and interact on issues of mutual interest.

A staff delegation from the U.S. Congress will be selected to visit Germany for nine days from Saturday, June 30–Sunday, July 8, 2018. During this nine-day exchange, the delegation will attend meetings with Bundestag/Bundesrat Members, Bundestag and Bundesrat party staff members, and representatives of numerous political, business, academic, and media agencies.

A comparable delegation of German staff members will visit the United States for nine days from Saturday, September 29–Sunday, October 7, 2018. They will attend similar meetings here in Washington.

The Congress-Bundestag/Bundesrat Exchange is highly regarded in Germany and the United States, and is one of several exchange programs sponsored by public and private institutions in the United States and Germany to foster better understanding of the politics and policies of both countries. This exchange is funded by the U.S. Department of State's Bureau of Educational and Cultural Affairs.

The U.S. delegation should consist of experienced and accomplished Hill staff who can contribute to the success of the exchange on both sides of the Atlantic. The Bundestag reciprocates by sending senior staff professionals to the United States.

Applicants should have a demonstrable interest in events in Europe. Applicants need not be working in the field of foreign affairs, although such a background can be helpful. The composite U.S. delegation should exhibit a range of expertise in issues of mutual concern to the United States and Germany such as, but not limited to, trade, security, the environment, economic development, health care, and other social policy issues. This year's delegation should be familiar with transatlantic relations within the context of recent world events.

Please note that the U.S. participants are expected to plan and implement the meetings and program for the Bundestag/Bundesrat staff members when they visit the United States.

Participants are selected by a committee composed of personnel from the Bureau of Educational and Cultural Affairs of the Department of State and past participants of the exchange.

Members of the House and Senate who would like a member of their staff to apply for

participation in this year's program should direct them to submit a resume and cover letter in which they state their qualifications, the contributions they can make to a successful program and some assurances of their ability to participate during the time stated.

Applications should be sent to the Office of Interparliamentary Affairs, HC-4, the Capitol, by 5 p.m. on Thursday, March 22, 2018.

### IN RECOGNITION OF WILLIAM COLE DOTSON, CAPTAIN, USN (RET.)

**HON. MARK WALKER**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 13, 2018*

Mr. WALKER. Mr. Speaker, I rise today to honor and remember William Cole Dotson, 92, Captain, USN (Ret.). Bill Dotson peacefully passed away on February 2, 2018, at his home in Pittsboro, North Carolina. Bill was born and raised in Hodgenville, Kentucky, the oldest of three siblings. Growing up during the Great Depression, he worked hard to help his

family make ends meet, and never lost his affection for Hodgenville, his grandparents' farm, and the people who always knew him as "Billy Cole." The values of thrift, work and self-reliance he developed there defined him throughout his life.

Capt. Dotson had a long, distinguished naval career, holding command positions both at-sea and ashore. He enlisted during World War II, served in 1944 and 1945 and then was selected to attend the U.S. Naval Academy where he graduated in 1949.

Bill served on the USS *Fred T. Berry* (DDE-858) from 1949 to 1951 where he was deployed to Korea. From 1951 to 1952 he was assigned to the USS *Ingersol* (DD-652). In 1952 he completed submarine training and from 1953 to 1955 was aboard the USS *Tirante* (SS-420).

From 1955 to 1957, he taught NROTC at the University of Louisville in Louisville, Kentucky, while concurrently earning a Masters Degree in Business Administration. He met his wife Katherine there in 1955. They were married the following year and became lifelong companions, having four sons and traveling the world with the Navy.

From 1957 to 1958, he was an Engineering Officer on the USS *Trumpetfish* (SS-425) and from 1958 to 1960 he was the Executive Officer of the USS *Sennet* (SS-408). In 1962 he completed the U.S. Naval Postgraduate School in Monterey, California, and then began service as Commanding Officer of the submarine USS *Medregal* (SS-480). From 1964 to 1967 he was the Head of the Plans and Programs Section of the Fleet Ballistic Missile Project Office in Washington, D.C. From 1967 to 1969, he was the Readiness Officer for COMSUBFLOTSIX.

From 1969 to 1971, he was the Commanding Officer of the USS *Observation Island* (AG-154) which successfully conducted operational testing of the Poseidon missile. For his outstanding performance and inspiring devotion to duty as Commanding Officer, he was awarded the Meritorious Service Award.

From 1971 to 1973, he was the Torpedo Systems Division Head at the Naval Ordnance Systems Command.

From 1974 to 1976, he was the Chief of Staff at COMNAV Marianas in Guam. In this position he supervised the urgent Vietnamese refugee program, involving the processing, care, and onward routing of some 110,000 refugees after the fall of Saigon in 1975. He was awarded the Legion of Merit for his exceptional performance and leadership of the program. He was also awarded the Joint Service Commendation Medal for his meritorious work in planning, directing and coordinating all aspects of the island's preparation for Typhoon Pamela and the ensuing recovery operations. That storm disabled Guam's power, water, and telephone systems and badly damaged thousands of homes.

In 1976 he and his family returned to the mainland and he served as Commanding Officer at NAVSEACENLANT in Norfolk, Virginia earning the Meritorious Service Medal. He served in this position until he retired in 1979.
